

## **Masters & STL Subsidised Transport Initiative!**

We are thrilled to announce that we have been actively working on ways to support our teams and drivers to ensure that joining us at Masters events can be easier than ever. Silver Tiger Logistics, who have been our logistics partner for a number of years, have agreed to support our drivers with the MSTI initiative, offering a package deal for per-car transport rates from the UK to our five European events in 2024, making it easier and more affordable for you to join us.

If you take up the transport options for your car via Silver Tiger, they will also offer to create and maintain a carnet for you at a fixed annual cost of just £1200 per car (based on average valuation costs), allowing you to attend all five Masters European events.

The prices per car from a UK destination to five Masters European events in 2024 are as follows:

1. Paul Ricard – 19/21 April - £2240
2. Zandvoort – 21/23 June - £1700
3. Brno – 12/14 July - £2300
4. Spa – 26/29 Sept - £1700
5. Mugello – 11/13 October - £2340

*VAT is not chargeable.* Prices are also available on request to the UK for our European competitors.

Prices are also available on request to the UK for our European competitors.

If you would like to know more about these prices, or get your car booked in, please contact [masters@silvertigerlogistics.com](mailto:masters@silvertigerlogistics.com).

Looking forward to seeing you all out on track!

*The Masters Team*
